Dear Sir/Madam

**Town & Country Planning Act 1990 (as amended)**

**Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5**

---

Outline application with some matters reserved (access only) for the erection of 23 No. dwellings with access from Hoe Lane, Flansham. This application is a Departure from the Development Plan.

Bonhams Hoe Lane Flansham Bognor Regis

---

Thank you for your internet representation made on 8th December 2017 which has been recorded as '**an objection**' with the comments as follows:

*I have always stated that Hoe Lane is narrow, feeding a unique West Sussex village, not seen anywhere else. The access and egress has always been difficult with the extensive development over the bypass making it even more difficult now. The access to Bonhams Field has always been dangerous to egress into Hoe Lane, by the resident living there and some additional 50 + cars driving out into Hoe Lane and then onto the roundabout is going to create a really dangerous situation every day and all day. This site is not ideal for development as the whole safety of the existing residents in Flansham, the many walkers, cyclists and dog walkers, who enjoy the environment of the village will be severely put at risk*

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther  
Group Head of Planning
