Dear Mr Burns,

Thanks for your email.

I suspect that the applicant will make an appeal so you may want to include this in any submissions to the Planning Inspectorate in due course.

Kind Regards

Dear Mr Davis

Many apologies, I've just noticed my typo. 2002 should read 2012. I know time goes quickly, but that was stretching it a bit!

Kind regards

Subject: Y/40/17/OUT. Re Conservation Area

Dear Mr Davis

With reference to your latest report regarding this planning application, you make mention of the lack of Conservation Status for Flansham. I should like to make it clear that I have, in fact, an email copy that I sent to Martyn White at ADC Conservation Department enquiring about Conservation Status for Flansham dated 2002!

I didn't seem to be making any headway at the time and did not follow up. However, I applied again in earnest about 10 months ago on behalf of the Flansham Residents Association and have corresponded by email and telephone with Martyn Whyte on quite a number of occasions. I have also spoken to Clare Dales about our request, but she referred me back to Martyn White. My latest phone conversation with Mr Whyte was about 2 to 3 weeks ago. He explained that, in effect, our application was on a waiting list due to the fact that the Conservation Department was under-manned and under-resourced and his time had been diverted to deal with policy issues.

I thought that I should make our situation clear regarding my applying for Conservation Status for Flansham as part of our determination and dedication to retain the special character of this hamlet.

With kind regards

Yours sincerely

Andrew Burns
Chairman, Flansham Residents Association
