Please could you accept this is a formal Notice of Intent to undertake Tree Works in Conservation Area.

I recently met with the applicant to discuss various tree issues at the site. There is no requirement for a site plan on this occasion as the information (species type and description) is sufficient to leave no doubt as to which trees are being considered.

Kind regards,

Mark

Hi Mark,

Great to meet you yesterday.

To confirm what we would like approved asap if possible:

Section 211

Fell Holy Tree - in the courtyard underneath the Macrocarpa.

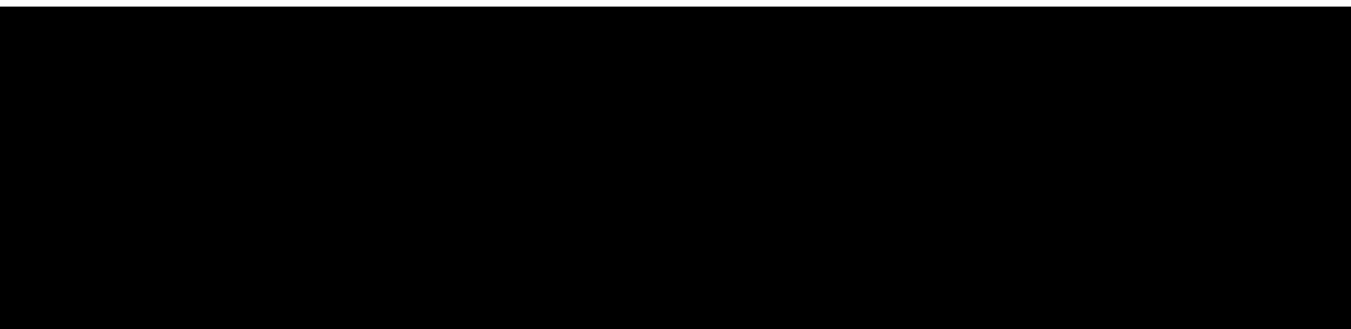

Fell Indian Bean Tree - to confirm, after checking with customer, no leaves have been on the tree for the last 2 years.

If you can push this ahead we would really appreciate it as we don't want to seed and topsoil until the trees are gone.

Speak soon.

Yours sincerely,

Edward Clery
