Zoe,

I understand. Please ignore the email and add this doc instead

Hi Simon,

The attached email I can upload, but it will need to go in for blocking due to email addresses e.c.t., when it goes in for blocking it converts it all to black and white. Do you still want the email attached?

Thanks

Please can you swap the Design Code in the attached link with that on Ccubes (Design code - masterplan June 2020) for these two DOC references.

Note that there are 5 files in this link. The “19284 - Design Code - Masterplan - Rev A” and “19284 - Design Code - Masterplan - Rev A – s” are the same but the -s is a smaller file size. Or the same -s version is provided as 3 parts. Up to you which will upload best?

Please also add the attached email as Application Correspondence but can it be added in colour?

Thanks
