

See the “19284 - Design Code - Masterplan - Rev A” in N:_EveryoneFolders\Simon Davis\SD7.

Please put this on the website for the two refs (Y/40/20/DOC & Y/41/20/DOC). This is a substitute of the existing Design Code which is on the website in both cases as 3 parts. I don’t know whether you can add the new version as single file? If so then please supersede each of the original 3 parts.

Cheers

Simon
