Subject: Prior notification Yapton Level Crossing New REB Unit Our ref Y/42/18/RAI

My colleague emailed Elliot Stamp yesterday regarding the plan on this prior notification. I apologise that the email was not very clear.

Basically we are in receipt of drawing no 15-so-081-LX/1 which contains signatures on it. We will have to redact the signatures because of data protection but this will mean that the document can only be viewed in black and white on the public website(redacted documents are converted to black and white). I would be grateful if you could provide us with a plan without the signatures so that a colour version can be posted on the website

Yours sincerely

Nicola Spencer
