Dear Rebecca,

They will need the information unless you wish to amend your plans to show access for construction vehicles from the permanent access? You are not going to be able to get a decision before the 6th June so it would make sense, to change the Site Set Up Plan, no?

Kind Regards

Thanks for this.

Can I please check, as the permanent access will be usable from the 6th June, do the Highways team still need the additional information - in effect the need for a temporary access will no longer be required.

I am waiting to hear back from the client RE the photo you sent through and will get in touch asap on that one.

Kind regards

Rebecca
