Subject: Y/42/19/DOC - Yapton Metal Company, Burndell Road

Hi Mark,

I could do with having your comments on Y/42/19/DOC (condition 7). We consulted you back in May.

In their application they stated that “protective fencing had been erected where the boundary wall (between the scrap yard and existing dwelling) was not structurally able to be retained and protects a wider area than that approved in the Arboricultural Strategy and the Tree Protection Plan J20438_Arb_TPP-06.07.17.”

We are also aware that building work has commenced and that they are well underway. I am not sure whether the protective fencing is still in place.

Kind Regards
