3rd August 2017

Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)

Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 5

Outline Planning Application for 70 No. residential dwellings including 30% affordable, public open space & associated landscaping. All matters to be reserved apart from Access (access to be achieved via permitted road (reference Y/93/14/OUT). This application is a Departure from the Development plan. This application affects the character & appearance of Main Road/Church Road Yapton Conservation Area & the setting of Listed Buildings

Land at Stakers Farm North End Road Yapton

Thank you for your internet representation made on 3rd August 2017 which has been recorded as '**an objection**' with the comments as follows:

This is yet another planning application which makes a mockery of Yapton's neighbourhood plan. It is outrageous that the application seeks to use the access road through the adjacent site which was agreed as only 38 houses. This application of 70 houses would increase the traffic onto North End Road at a dangerous point opposite the accesses to Church Lane and Orchard Park trading estate. This is also a critical part of the road for dropping off and collecting children from the school. It would be far too many houses for the village to cope with. Yapton has already made a huge commitment to housing numbers and the Neighbourhood Plan should be honoured.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be

automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
