Thank you for your internet representation made on 15th April 2018 which has been recorded as **'an objection'** with the comments as follows:

I note that this application was discussed at the Development Control Committee meeting on 11th April but I was unable to attend. The minutes have so far not been published (as at 15/4), so I do not know the outcome; however it appears from the notes on the application that there are still concerns from Highways and Southern Water. In addition, the matter of provision of sufficient primary school education is still to be resolved adequately. These are important matters for the sustainability of Yapton village and should not be rushed into headlong for the purpose of providing even more housing. Would Arun DC please consider these matters thoughtfully and with due regard to the potential consequences of making hasty decisions. The matter of the expansion of the school needs to be carefully planned including provision for pupils to be delivered and collected safely and sufficient open spaces for their needs. The building of houses should not be the prime concern for this site and all issues need to be properly considered.

Your views will be considered before the application is determined and I shall write to inform you of any decision made.

Please be aware that if the application is to be determined by the Council's Development Control committee and your letter has been received at a late stage after the Agenda has been published you will not receive a separate letter notifying you of the date of the meeting and procedures for public speaking. In such circumstances it is recommended that you track the progress of the application on the Council's website or telephone the Council for further information. Please be advised that any comments you make that are not included within the Committee Agenda will be reported to the Members of the Development Control committee. Please also be aware that only a small number of all planning applications received go the Development Control Committee. Most are determined under delegated powers by Officers in which case your comments will again be considered before the application is determined.

Please be aware that Planning Services operate an 'open file' policy and will publish details of your comments on the internet on the Arun District Council Planning section. Please ensure that you only provide information that you are happy will be made available in this way. If you supply information belonging to a third party, please ensure you have their permission to do so. If you do not wish your comments to appear on the 'open file' please confirm this in writing and I will arrange

for it to be destroyed although this means that its contents will then be disregarded.

In the event of a subsequent written representations appeal, against a refusal of planning permission on a householder application, any representations made on the application will be automatically forwarded to the Secretary of State. Unlike all other types of appeal, there will be no further opportunity to comment at the appeal stage.

Yours faithfully

Neil Crowther
Group Head of Planning
