Dear Chris,

This application is on the agenda for the 11th April Meeting. We have not yet had advice from David Innes at County but he is aware that this is required before our April Committee Meeting.

Can we agree an Extension of Time until the 13th of May. However, please note that if members agree the recommendation to approve, then the permission can be issued as soon as the 106 is signed (i.e. no need to wait until the middle of May).

Kind Regards
