Dear Huw,

I don't believe so. I am sure that they are under the same amount of pressure as we are. You may however wish to contact them yourself.

Kind Regards

Dear Simon,

Thank you for your recent emails.

Having discussed the need to progress the S106 urgently with the applicant and his solicitor we understand that there have been delays with West Sussex to date -- not in terms of agreement/principle but we understand in terms of process. I have copied Neil in also to this email -- is there anything that Arun can do to help expedite matters with West Sussex please?

Kind Regards
