Chris,

I write with reference to the above application. As you know, this application remains undetermined because the planning obligation is not completed.

As a result of the change in development plan on 18 July 2018 I am writing to inform you that the application will be re-presented to Development Control Committee upon completion of the obligation to seek their confirmation that their previous decision would remain or not. We have to demonstrate that all planning decisions reached after 18 July 2018 are in compliance with the requirements of section 70(2) of the Town and Country Planning Act 1990 and section 38(6) of the Planning and Compulsory Purchase Act 2004.

Regards, Neil
