Simon

Noted. It is therefore self-evident that your members are in no position to lawfully consider this as an urgent item at DCC this pm and the late report should be withdrawn from the agenda as per my e mail request to Mr Roberts on Monday. Given yesterday's proceedings my sense of de ja vu vis a vis breaches of the Planning Services Code of Conduct, Committee procedures and the lack of any information as to whether or not WSCC will sign the S106 is overwhelming.

Please upload all e mails and responses to the web site for future reference if required.

Thanks

Dear Paul,

It was hoped that the Section 106 would be all signed and complete by today. However, this has not been possible. Our solicitor has advised that the Agreement has been agreed by all parties and will be signed today by both Arun DC and the applicants. It will then be sent to West Sussex County Council for them to sign and return. All being well, it will be fully signed and formally completed on Friday but we have an extension of time in place until Friday 23rd November in case of delay. It is uploaded to our website and available for the public to view when it is formally completed.

Kind Regards

Dear Simon

Please can you confirm whether or not the S106 in respect of the above application has been signed and if not the date on which it will be signed and when those with an expressed interest in same will be able to view the S106 (draft or signed).
