Dear Mr Hunter,

The scheme has the benefit of an outline planning permission. No work can commence on site however until a reserved matters application has been approved. I would imagine that activity on the site would be to do with survey work. For example ecology.

Kind Regards

Dear Mr Davis

Logged on to reference Y/44/17/OUT and unclear as to where we are. We live at 38 The Croft overlooking the proposed estate on the first floor. A lot of activity today in the field. Any update would be appreciated.

Having said that there is no current update. We are working up a legal agreement and the application will not be recommended until this is signed and complete.

Hi Simon

Have tried the search feature on web site to get an update on the application Y/44/17/OUT without success it seems to fail and I did try two search engines.

Any update would be appreciated or instructions as how to search so as not need to increase your e-mail in box on Monday mornings!
