Dear Kieran,

Am I right in thinking that one of the photos in the email below is of the same Autumn Blend as previously applied for?

If so then you may be right about the previous photo not doing it justice as our Conservation Officer liked the Leicester Autumn or the Rodruza but with a slight preference for the Leicester Autumn.

Kind Regards

Hello Simon

Please see attached 3 brick options with the Imerys Amber Tile. I believe the previous photos were a bit misleading as they were taken in bright sunlight, the bricks are actually darker than the photos show.

I would greatly appreciate it if we can expediate the decision process now as works have come to a standstill on site.

I look forward to hearing from you.

Regards

Kieran Napthine

Dear Kieran,

I'm afraid I don't have time to meet but if you take photos of the choices e.g. brick alongside tile in each photo, then I can discuss with the Conservation Officer at some point.

Kind Regards

Hello Simon

We have collated some samples of various options, is it possible for us to bring these to you today? We could come at around 3PM if that works?

Please let me know.

Regards

Kieran Napthine

Dear Kieran,

The condition requires samples and in view of the site's location within a Conservation Area and near to Listed Buildings, we will need the samples.

I have also discussed briefly today with our Conservation Officer. He and I are of the opinion that the brick/tile colour may not be appropriate given the position of the building between the rendered flats and the darker brown brick houses to the north. It may be the case that the colour is not so apparent on the actual samples. However, you may also wish to consider putting in a sample of an alternative brick/tile mix that better reflects the surroundings.

I also note that the originally approved plans for the gospel building stated that there would be a mix of brick colours plus some hanging tiles on the elevations.

Kind Regards

Good Afternoon Simon

I trust you are well and had a good holiday?

Do we have an progress on the brick decision yet please? We are experiencing significant disruption to the work on site whilst we wait for the approval so we would greatly appreciate your help in finalising this matter.

Kind Regards

Kieran Napthine
