Dear Kieran,

I am just checking with our Conservation Officer whether he still wants to see the sample. If you can, you may wish to drop it off marked for my attention in case he comes back with a yes (he is out of the office this afternoon)

Kind Regards

Hello Simon

Many thanks for the email, I am glad that the Leicester Autumn is OK to use. If that's all approved then we'll get on and order the bricks straight away so the works can resume on site.

I presume we will get some sort of formal notification of this, however are we OK to move ahead now anyway?

Thank you for your help.

Kind Regards

Dear Kieran,

Am I right in thinking that one of the photos in the email below is of the same Autumn Blend as previously applied for?

If so then you may be right about the previous photo not doing it justice as our Conservation Officer liked the Leicester Autumn or the Rodruza but with a slight preference for the Leicester Autumn.

Kind Regards
