Dear Sian,

With reference to your correspondence dated 28th May 2020, please find attached the following information as requested.

- CIL Form (See Attached)
- Block Plan with dimensions (See Attached)
- Drawings with additional scale bar (See Attached)
- Information regarding Lidsey Foul Water Catchment area.

Lidsey Foul Water Catchment

To confirm, we do come under the Lidsey Foul Water Catchment area, and we will be connecting the new foul water to the existing public sewer connection. There will be no additional person usage.

The surface water will be discharged into a new soakaway onsite as agreed by Building Control.
