Dear Sir/Madam

Town & Country Planning Act 1990 (as amended)
Town and Country Planning (Development Management Procedure) (England) Order 2015

Erection of 2 no. dwellings
Land adjacent 1- Holkham Cottages Burndell Road Yapton

Thank you for your internet representation made on 26th July 2018 which has been recorded as '**an objection**' with the comments as follows:

Flood Risk

The plans outline there is a distance of 5.5m from the rear of the development to the existing boundary to the property in Park Drive. Having observed the site there is no room for a soakaway as outlined in the plans. I understand a Soakaway should not be built within 5m of the proposed development and ideally should be remote from boundaries in case the neighbour of the property in Park Drive wishes to build.

Parking

The is no provision for parking for this new development. If cars and delivery vehicles are to park outside the new properties this will cause traffic flow problems along Burndell Road and at the junction of Downview Road. This is already an issue with residents of Ryebank walk parking their vans and lorries on the Downview Estate because there is inadequate parking for larger vehicles. Therefore this development will have a negative impact on the residents in Downview Road.

Site Management

During the construction of Emerald Gardens residents of Downview Road and Downview Way were unable to park due to construction workers vehicles being parked on the estate. There is no parking provision for construction workers on the proposed site, therefore they will either be causing traffic flow problems on Burndell Road or inconveniencing residents on the Downview estate. Also, there is little space for storing construction materials, therefore the developer should submit a site management plan to ensure there is minimal impact on traffic and residents in the surrounding area.
