Hi Dawn,

I haven't yet been able to visit the site (the site notices did go up in time though). I had tried to do my visit on the 9th July but ran out of time to do a site visit. Is it possible to access the site unaccompanied? I should be able to visit next week if so. Then I can give you my initial thoughts.

Kind Regards

Dear Simon,

The above application is due for a decision in about a week's time and wondered if you had any concerns at this stage. I see that the Parish Council has no objection in principle but mentions parking but the highway authority has no objection on lack of parking.

If you could let me know your thoughts I would be grateful.

Kind regards

Dawn
