Hello Amber,

We were just talking.

Called re the above. Noted this is not approved yet, and may be approved at YPC Meeting on the 29th. As adjoining neighbours, we have no real objection to the proposed dwelling as long as we are not overlooked and adequate screening is provided between us, and the West elevation of the new building. We would like this stipulation registered. Further noted your comment that the Council don't actually write to individual households anymore, which is why these comments are lately tabled.

Please keep us posted should anything pertinent arise.

Many thanks.

Kind rgds.,

PATRICK & SUSAN HEDGES/ The Hatchery
