Dear Simon,

Thank you for your email. We will not be providing a response to this application as we consider that it falls outside of our checklist.

We only comment on major non-mains drainage e.g. 10+ dwellings or over 1000m squared of industrial/ commercial land. And the storage of waste relates to agricultural uses or rubbish/recycling.

Kind Regards,

Dear EA,

We issued a consultation to you on 4<sup>th</sup> July concerning a new foul water treatment plant but have not had a response. I consider that this meets your consultation criteria by virtue of being storage of waste or non mains-drainage. I would be grateful for any comments you might have.

Kind Regards
