Simon,

Further to my email sent earlier today, please refer to the email below from my client and the attached Site Wide Elements Plan ref. 19.14.102C, which you should substitute for the version currently lodged.

I hope this deals with the query raised regarding Condition 9 of the site's outline permission ref. Y/5/17/OUT; and that my earlier email dealt with the query raised regarding condition 10 - I'll wait to hear from you.

Regards,
