Dear Matt,

I am just looking at discharging the conditions. I had thought that WSCC's last lot of comments were that the condition could be discharged. However, looking at it again, I see that Tim Townsend requested a further change to the CMP to reference the possibility of a temporary closure to the footpath. See that part highlighted in yellow. I can't see that this has been added to the drawing so can you arrange for a further note to be added to this effect. Then we can discharge this. I'm sorry for not spotting this earlier.

Kind Regards
