RE: Y/49/17/OUT

Dear Sir / Madam.

I wish to object very strongly to the idea of houses being built Maypole lane / North End Rd. Do you realize at that junction there is eight lanes of traffic, leading to the school also down to the railway crossing?

Also North End Rd is now a designated busy route, + the traffic at times is horrendous. I stand dithering trying to cross the road to the post box. For cars to

2 Come out of Maypole Lane, which incidentally is very narrow, one car only at a time, is dangerous.

If Mr. Langmead persists in building, perhaps he could pay for traffic lights at the junction? also be prepared to pay for another school to be built, as at present it is unable to take even one more pupil.

As he does not live in the area, it will not affect him but will affect many people including the Mobile Home site in Maypole Lane where people chose to live because of the peace & quiet.

I and many other residents hope this matter will be considered very carefully.
Yours
