

Appendix 1

1) Details of appearance, landscaping, layout, and scale, (hereinafter called 'the reserved matters') shall be submitted to and approved in writing by the local planning authority (LPA) before any development begins and the development shall be carried out as approved.

2) Application for approval of the reserved matters shall be made to the LPA before the expiration of three years from the date of this permission. The development hereby permitted shall begin before the expiration of one year from the date of approval of the last of the reserved matters to be approved.

3) This permission relates to the following submitted plans:

- Location Plan
- Indicative Proposed Block Plan Drg: PPC 2
- Access arrangement Plan Drg: 160602 - 05

4) The layout details submitted pursuant to Condition 1 shall accord with the Indicative Proposed Block Plan Drg: PPC 2 and shall include:

- i) 1.4 hectares (ha) of residential development comprising up to 45 dwellings on Area A and
- ii) 0.31 hectares (ha) of landscaped open space on Area B which shall include a minimum 100 sq m area designated as a Local Area of Play (LAP).

5) The landscaping details submitted pursuant to Condition 1 shall include:

- i) a plan showing the existing trees to be retained, together with details of measures for their protection during the course of development;
- ii) the species, number, sizes and position of new trees, shrubs and hedging to be planted and details of any grassed or other planted areas (other than private gardens), including seeding with an appropriate native British wildflower flora mix;
- iii) Details of defined boundaries, means of enclosure, proposed use and items of equipment, proposed lighting and other structures to be installed on the landscaped open space, amenity areas (other than private gardens) and the LAP
- iv) a landscape management plan detailing a programme for the implementation, long term management and maintenance of all landscaped amenity areas (other than private gardens), the 0.31 hectares of landscaped open space and the LAP.

No dwellings shall be occupied unless and until the landscaping has been implemented in accordance with the approved details and any trees, shrubs or hedging plants which, within a period of five years from the date of planting, die, are removed or become seriously damaged or diseased, shall be replaced in the next planting season with others of similar size and species, unless otherwise approved in writing by the LPA.

5. The development shall not begin until a scheme for the provision of affordable housing as part of the development has been submitted to and approved in writing by the LPA. The affordable housing shall be provided in accordance with the approved scheme and shall meet the definition of affordable housing in Annex 2: Glossary of the National Planning Policy Framework or any future guidance that replaces it. The scheme shall include:

- i) the numbers, type, tenure and location on the site of the affordable housing provision to be made which shall consist of not less than 30% of the total number of dwellings approved at reserved matters stage of which 75% shall be social rented and 25% intermediate housing;
- ii) the timing of the construction of the affordable housing and its phasing in relation to the occupancy of the market housing;
- iii) the arrangements for the transfer of the affordable housing to an affordable housing provider or the management of the affordable housing (if no Registered Social Landlord is involved);
- iv) the arrangements to ensure that such provision is affordable for both first and subsequent occupiers of the affordable housing; and
- v) the occupancy criteria to be used for determining the identity of occupiers of the affordable housing and the means by which such occupancy criteria shall be enforced.

The affordable housing shall be retained in accordance with the approved scheme.

6. No development shall commence until detailed design and construction drawings for the means of access/egress onto Maypole Lane as shown on Access arrangement Plan Drg: 160602 – 05 including passing places in Maypole Lane between the access/egress and its junction with North End Road have been submitted to and approved by the LPA and no dwelling shall be occupied until this access/egress has been constructed in accordance with the approved detailed design and construction drawings.

7. No development shall commence until detailed design and construction drawings for the means of access/egress onto North End Road as shown on Access arrangement Plan Drg: 160602 – 05 have been submitted to and approved by the LPA and no dwelling shall be occupied until this access/egress has been constructed in accordance with the approved detailed design and construction drawings.

8. No development shall take place until a Construction Method Statement has been submitted to and approved in writing by the LPA. The Statement shall provide for (but not necessarily be limited to):

- i) Vehicle parking for site operatives and visitors, and on-site turning space;
 - ii) Loading and unloading of plant and materials;
 - iii) Storage of construction plant and materials;
 - iv) Erection and maintenance of security hoarding, including decorative displays and facilities for public viewing as appropriate;
 - v) Wheel washing facilities;
 - vi) measures to control the emission of dust and dirt during construction;
 - vii) The location of any site huts/cabins/offices;
 - viii) Routeing of construction vehicles to and from the development site;
 - ix) Details of any temporary traffic management works required to construct any of the works;
 - x) Details of signage on the approaches to the site warning of the presence of construction vehicles and associated activities on or close to the public highway;
 - xi) Details of the Construction Design Management Co-ordinator and site foreman, including contact details (and out-of-hours contact details);
 - xii) Evidence of community involvement and/or public consultation prior to any works being carried out; and
 - xiii) Details of the hours of operation of all operational and construction vehicles on the site.
- Details of how measures will be put in place to address any environmental problems arising from any of the above shall be provided. A named person shall be appointed to deal with complaints and

shall be available on site and their availability made known to all relevant parties. The Statement as approved shall be adhered to at all times throughout the construction period.

9. No development shall take place until a programme of archaeological work has been secured and implemented in accordance with a written scheme of investigation which has been submitted to and approved by the LPA.

10. No development shall take place until details of the implementation, maintenance and management of a sustainable drainage scheme have been submitted to and approved in writing by the LPA. The scheme shall be implemented and thereafter managed and maintained in accordance with the approved details. Those details shall include:

- i) a timetable for the scheme's implementation; and
- ii) a management and maintenance plan for the lifetime of the development which shall include the arrangements for the adoption by any public body or statutory undertaker, or any other Arrangements to secure the operation of the sustainable drainage scheme throughout its lifetime.

11. Construction of the development shall not commence until details of the proposed means of foul water sewerage have been submitted to and approved in writing by the LPA. No dwelling shall be occupied until works for the disposal of sewage have been fully implemented in accordance with the approved details.

12. No development shall commence until details the measures to avoid or mitigate ecological impacts and provide ecological enhancements as recommended in the Extended Phase 1 Habitat Survey prepared by Corylus Ecology and submitted with the planning application have been submitted to and approved by the LPA and no dwelling shall be occupied until the approved measures have been undertaken.
