Re: Land at Street Buildings,
North End Rd. Yapton.

To Mr. Neil Crother, Head of Planning
Dear Sir,

Once again I wish to object very
strongly re. building in, + around North
End Rd.

No one seems to mention the dangerous
junction - North End Rd Ford Lane Maypole
lane. The traffic there comes in
8 different directions. When only

2/ Wish to post a letter I have to cross
Here, there are lorries coming from
+ to the "Industrial Estate." I stand
there quivering until a kind driver
lets me across the road. Also do
you realize parents have to cross
there to take their children to
School? Also I learned this week
Mr Langhead had been given permission
(after 3 attempts) to build on the adjoining
field. Which means the only way
into that field is along Ford lane.
At least another 100 cars in + out. I
have lived here over 35 yrs, + find our
little village being turned into a town.
Mr Langhead, can no longer be called
a farmer, he is now a property
developer.!! Also I would like to

3 point out, the bus 66 only runs
every 2 hrs, unless one is capable of
walking up to the village 1 1/2 miles away

Please can you make those people
see sense? consider the Kaffir, not
just how many houses they can get
into the area of Nappe Lake, North
End Rd. + Ford Rd.

I am unable to get to the meeting
on the 14th Feb. but I hope you
will let my feelings be known

Yours Sincerely

P.S. Traffic lights at
the junction, good idea
if Langmead to pay!!
