Subject: RE: Y/49/17/OUT Section 106 Agreement

Chris,

The Unilateral Undertaking, which was signed and executed by the applicant, should be on the Council's website under Y/49/17/OUT.

The Unilateral Undertaking includes contributions towards Education, Libraries and Fire and Rescue.

Kind regards,

Michael

Good morning Michael.

Y/49/17/OUT Section 106 Agreement

As ever very disappointing to see that Yapton's views were ignored and that this application has been permitted.

I don't seem to be able to see the S106 agreement for this site and importantly any detail of how these funds will support the village.

Can you also provide early detail of how this site will support Sustainable transport and how it will encourage a Modal shift change away from cars.

Regards
Chris Sprules
