Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: Y/49/21/RES
Site Address: Land East of Drove Lane Yapton BN18 0EB
Description of works: Approval of reserved matters following Y/92/17/OUT for 300 No. dwellings covering landscape, layout, scale & external appearance (resubmission following Y/78/20/RES). This application affects the setting of listed buildings, affects the character & appearance of the Main Road/Church Road, Yapton Conservation Area & affects a Right of Way. This site falls within Strategic Site SD7 (Zero Rated).

Thank you for your internet representation made on 3rd May 2021 which has been recorded as an objection with the comments as follows:

OWPC35685

The plan does not show any consideration for how the development will enhance and protect the former Portsmouth and Arundel Canal, which passes along the site. This includes how the site of the Drove Lane Arch bridge will be preserved and protected. The canal and bridge site, as very important historical features in Yapton and the surrounding area, should be incorporated into the development so it is properly recognised by the residents. For example, the Drove Lane Arch bridge site could be cleared of ivy and brambles and given an information sign giving the history of the bridge and canal. In addition, the surrounding public space could have features that reflect the canal and its history, such as benches shaped as barges etc.

Your views as made above will be considered before the application is determined.
