Dear Sir/Madam,

The Town & Country Planning Act 1990 (as amended)
Town & country Planning (Development Management Procedure) (England) Order 2015 - Article 6

Application No: Y/49/21/RES
Site Address: Land East of Drove Lane Yapton BN18 0EB
Description of works: Approval of reserved matters following Y/92/17/OUT for 300 No. dwellings covering landscape, layout, scale & external appearance (resubmission following Y/78/20/RES). This application affects the setting of listed buildings, affects the character & appearance of the Main Road/Church Road, Yapton Conservation Area & affects a Right of Way. This site falls within Strategic Site SD7 (Zero Rated).

Thank you for your internet representation made on 19th May 2021 which has been recorded as support with the comments as follows:

OWPC36407

YPC have met with the applicants several times and overall YPC support this application conditionally upon:

- All PRoW must have sufficient width to cater for all non-vehicular modes of travel especially wheelchair users and double buggies to ensure safe and sustainable travel for all.
- All PRoW must be designed to allow for future growth of landscaping without this growth compromising the proposed useable width of path.
- Play areas must be designed away from any water collection pools which are predicted to hold water for any period of time. This is to reduce risk of drowning should children using the play areas not be supervised.
- The design code applied to the scheme must remain in line with that submitted with the outline application and that of ADC's Design Code especially in terms of materials and key streetscapes.

Your views as made above will be considered before the application is determined.
