Hi Simon

[REDACTED]

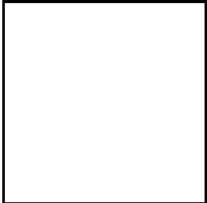

I would hugely appreciate it if you could find time this week to review the layout so that we can get the team instructed and moving forward. That way revised plans are well underway by the time we get back.

An EoT is fine. Shall we say until Friday 1st October?

Kind regards

Jess

Hi Jess,

I am going to try and review it this afternoon and then I have a meeting with Claire on Thursday. However, please be aware that I am on leave on Friday and all next week and my priority today/tomorrow is getting reports done that are due next week/writing updates for next week's Ctte so the review of the layout is dependant on me getting other stuff done.

In the meantime, would you agree to an EoT of say 2.5 months? I'm thinking this would allow 21 days of re-consultation plus time either side to finalise submission/review/amend the report.

Hi Simon

I hope you are well.

Just wondering when we are likely to get some comments back from you on Yapton? It's going to take a few weeks to work up the revised plans because the changes are quite significant so the sooner I can get that instructed the better.

I'm conscious we will need to agree an EoT at some point whilst this is done.

Kind regards

Jess
