CAUTION: This email originated from outside of the organisation. You should take extra care when clicking links or opening attachments - if you are unsure the content is safe contact the IT Helpdesk before clicking or opening.

Hi Simon

Further to recent emails, please find the following at [REDACTED]

- Addendum to the Design and Access Statement;
- Plot by Plot schedule;
- Back to Back Plan (to assist with the above);
- Landscape Masterplan;
- Detailed Planting Plans x 10;
- Images of SUDs as described in our earlier cover letter.

Apologies that this has taken longer than expected, our landscape architect being unwell threw things off schedule!!

As well as additional information about plots that you have previously requested, the information should help to demonstrate the usability of open space and how well SUDs can work with POS. Do let me know if you would like any further examples of this.

If you have any queries please do let me know.

Kind regards

Jess

Dear Simon

I hope you are well.

Please see attached cover letter relating to our revised proposals at Drove Lane, Yapton.

The documentation is available at [REDACTED]

I have asked our architect to produce a plot by plot schedule as per the previous scheme and will get that over to you as soon as available.

Kind regards
