Hi Simon

We have been in touch with Hyde and prepared a streetscene through the two development sites using both sets of elevational drawings – please see attached.

Do let me know if you have any comments.

Kind regards

Jess

Hi Jess,

I think I recall we previously asked for streetscenes showing how your site compares with the Hyde Scheme where the sites meet alongside the central green (i.e. both sides of this space). I can't see that these have been provided. Hyde's resubmission has just been resubmitted so could you get in contact with them to see if you can stitch your streetscenes together to show this.

We will ask Hyde to provide similar.

Simon.
