Evening, Simon,

Thanks for your email. Yes, what you suggest should do it – it's the same link to an updated Dropbox folder containing the additional and revised plans and documents. Please let me know if you have any difficulties.

Regards,

Matthew Utting BSc (Hons) DipTP MRTPI

Subject: RE: Application Ref. Y/4/19/RES - Land at the Former Cinders Nursery, Cinders Lane, Yapton

Dear Matthew,

Thanks for this. Our IT team had already downloaded the contents of the first link into a folder here. Do I assume that if I get them to download from the new link into a new folder that I can then delete the first folder?

Kind Regards

Afternoon, Simon,

I have just updated the Dropbox folder sent to you yesterday via the following link:

<https://www.dropbox.com/sh/u3x4zxqk8d0jimd/AADCeImwfp8lhb1Wii4h7zRJa?dl=0>

The folder now contains an updated Landscape Proposals Plan ref. 1973-TF-00-00-DR-L-1001 rev. P08; an updated Transport Statement containing a series of vehicle tracking plans for the site's revised layout; and a revised Site Layout Plan ref. 19.14. P101_U, which reflects minor changes in light of the Landscape Proposals Plan ref. 1973-TF-00-00-DR-L-1001 rev. P08.

Please substitute these revised plans and documents for the versions that you currently hold – by my reckoning, my client's reserved matters application ref. Y/4/19/RES is now complete; and I look forward to working through the same with you to a decision.

Please contact me if you have any queries or need to discuss any matter at this stage.

Regards,

Matthew Utting BSc (Hons) DipTP MRTPI

Importance: High

Afternoon, Simon,

Further to our exchanges of emails below and our 'phone conversations on Friday last week, herewith as discussed a link to a Dropbox folder containing a full suite of revised plans prepared by my client for the above reserved matters application:

<https://www.dropbox.com/sh/u3x4zxqk8d0jimd/AADCeImwfp8lhb1Wii4h7zRJa?dl=0>

Please substitute these plans for the versions that you currently hold.

I will send you revised vehicle tracking plans and a site-wide landscaping plan as soon as possible, to 'match' with those just sent via the above link. Furthermore, I will soon have the plans and other information I need to lodge a single application to discharge conditions 9 and 10 of the site's outline consent ref. Y/5/17/OUT, to enable site clearance to commence. I will lodge this application with your Authority as soon as possible.

Otherwise and now that the site's layout has been agreed in principle, my client will be able to finalise the plans and other information that I need to lodge a single application to discharge the pre-commencement conditions attached to the site's outline consent ref. Y/5/17/OUT – again, I will lodge this application with your Authority as soon as possible.

I hope this email is helpful – please contact me if you have any queries or need to discuss any matter.

Regards,

Morning, Simon,

Thank you for your email below; and that's quite OK with me – I'm aware that following your meeting with Paul on 24 April 2019, he has sent you two alternative revised site layouts for your consideration and comment, as per the attached email dated 25 April 2019. Once you have confirmed which site layout you prefer, I will submit a complete suite of revised plans for the site's reserved matters application ref. Y/4/19/RES and you can consult upon the same in the normal way. Reaching an agreement on the site's layout will also allow me to apply to discharge key pre-demolition and pre-commencement conditions.

We'll get there, I am sure! My clients and I will therefore look forward to hearing from you as soon as possible.

Regards,

Matthew Utting BSc (Hons) DipTP MRTPI

Dear Matthew,

Just to say that I have not done anything with the plans you sent to me on the 12th and 16th April. This is because discussions are ongoing re the layout and in my mind, it makes no sense to change the plans on our system and notify the Parish of the changes (which we are required to do as per the Neighbourhood Planning Act – and which also requires a 21 day consultation period) if there are then further changes. However, I did download the plans from the link and have them saved on my computer. I assume this is acceptable to you and your clients.

Kind Regards

Morning, Simon,

Further to my email below, please find attached the following:

1. A revised Landscape Proposals plan ref. 1973-TF-00-00-DR-L-1001, which takes account of the site's revised housing layout.
2. A revised Site Layout plan ref. 19.14. P101_P Rev. R, which matches absolutely with the soft landscaping shown on the attached revised Landscape Proposals plan ref. 1973-TF-00-00-DR-L-1001 referenced above.
3. A Revised Transport Statement, which reflects the revised Site Layout plan ref. 19.14. P101_P Rev. R and includes revised tracking plans for the same.

Please update the site's reserved matters application to include the attached; and by all means contact me if you have any queries.

Many thanks and regards,

Subject: Application Ref. Y/4/19/RES - Land at the Former Cinders Nursery, Cinders Lane, Yapton
Importance: High

Dear Simon,

You will recall that we are dealing with the above application, which seeks your Authority's approval of reserved matters pursuant to outline consent ref. Y/5/17/OUT, for the development of 51 dwellings on land at the former Cinders Nursery, off Bilsham Road/Cinders Lane in Yapton. I am writing to update you on a number of matters that have caused my client to revise the plans currently lodged with the reserved matters application and set out an explanation of the same below.

You may be aware that a third party has applied to West Sussex County Council to upgrade public footpath no. 166 into a public bridleway; and for this bridleway to be diverted to cross the application site from its north western to its south eastern corner. Currently, public footpath no. 166 runs along the application site's northern and eastern boundaries. I have attached two plans showing the current route of the public footpath and an extract from the application to upgrade and divert the public footpath, which includes a plan showing its proposed route across the application site.

My client's Solicitors have advised that the site's development must allow for the possibility that the proposed upgrade and diversion of public footpath no. 166 will be approved. Accordingly, my client has revised the plans currently lodged with your Authority as part of application ref. Y/4/19/RES; and these revised plans can be obtained by clicking on the following link:

<https://www.dropbox.com/sh/u3x4zxqk8d0jimd/AADCeImwfp8lhb1Wii4h7zRJa?dl=0>

You will note the revised plans include a revised Site Layout ref. 19.14. P101_P rev. Q and I have attached a copy of the same for your convenience. You will note the site's housing layout makes provision for the possible upgrade and diversion of public footpath no. 166 to a minimum 5m width by way of linear open space and a realignment of the site's main estate road. Otherwise, the site's dwelling yield, dwelling mix and proportion of affordable housing remain unchanged. You will likewise note that the revised layout makes provision for footpath no. 166 to be upgraded to a combined footpath and bridleway of 5m in width but along its current alignment on the site's northern and eastern boundaries. Moreover, you will note that the revised layout still provides for a connection to be made to the development authorised by outline consent ref. Y/32/17/OUT on adjoining land to the south, such that a comprehensive 'masterplanned' approach to the development of both sites is assured.

Lastly, you will note the revised plans, including Site Layout ref. 19.14. P101_P rev. Q, take account of Yapton Parish Council's comments on the plans currently lodged as part of the site's reserved matters application ref. Y/4/19/RES, insofar as visitor parking is now shown specified as 'grasscrete' or similar; and the elevations to houses now incorporate a range of more 'traditional' as well as modern materials.

A revised Landscaping Plan is being finalised to take account of Site Layout ref. 19.14. P101_P rev. Q and I will send you this as soon as possible. Likewise, I will send you some revised 'Tracking Plans' to demonstrate that revised Site Layout ref. 19.14. P101_P rev. Q will 'track' satisfactorily for a refuse vehicle.

I hope this email is helpful and brings you fully up to date with the revisions made to application ref. Y/4/19/RES and the reasons for the same. So far as other matters are concerned, I will shortly be making an application to discharge conditions 9 and 10 attached to the site's outline consent ref. Y/5/17/OUT, so that site clearance can start. This application will be followed by a separate application to discharge all the remaining conditions attached to the site's outline consent ref. Y/5/17/OUT, so that a lawful start can be made on the site's development.

By all means contact me if you have any queries – my client and I would be pleased to meet with you to discuss matters in more detail, if this would assist.

Regards,
