Hi Simon,

I can't see a statement which refers to the housing types though you refer to changes. Please could you confirm what the changes are?

Thanks,

Arjan

Dear Consultee,

Please note that we have accepted amendments to this proposal. These consist of changes to the layout of the scheme and to house types and landscaping. However, the number of dwellings remains the same. There is also now a Transport Statement which includes tracking diagrams.

I am emailing you all as I have requested a re-consultation, however, due to our system, the requests will go out with the original consultation dates and you should note that you have 21 days from receipt. You will likely receive the re-consultation towards the end of next week or perhaps the week after.

Kind Regards
