Dear Mr Davis

Thank you for your re-consultation notification of 4 June 2019 regarding the above application.

Highways England has been appointed by the Secretary of State for Transport as strategic highway company under the provisions of the Infrastructure Act 2015 and is the highway authority, traffic authority and street authority for the strategic road network (SRN). The SRN is a critical national asset and as such Highways England works to ensure that it operates and is managed in the public interest, both in respect of current activities and needs as well as in providing effective stewardship of its long-term operation and integrity. Highways England will be concerned with proposals that have the potential to impact on the safe and efficient operation of the Strategic Road Network (SRN), in this case the A27.

The reserved matters in this application do not have an impact upon the safety or operation of the SRN. We therefore do not have any comments or objections. I attach our formal HEPR response of No Objection.

If you have any queries regarding this response, please contact us at

Kind regards,

Elizabeth Cleaver, Assistant Spatial Planning Manager
