Dear Matthew,

Sorry for radio silence but I am trying to focus on Committee reports this week due to it being the deadline for the September Committee. I should think that there is a good chance that I can finish the report towards the end of next week and then hopefully it can be issued the week after (this will also depend on final comments being received from Sue Howell).

Kind Regards

Afternoon, Simon,

Further to the email I sent you yesterday (below), could you update me on the above reserved matters application...? You'll correct me if I'm wrong but all outstanding matters have been dealt with and there's nothing to stop a reserved matters consent being issued...?

I look forward to hearing from you, many thanks!

Regards,
