Please ask for:

Technical Support Unit on extn. 37711

28th June 2018

Dear Mr Stewart Mcgregor

Development:

2 Lime trees overhang the footpath, and often we have lorries either delivering to the Coop (next door) or driven by customers parking and brushing the lower branches of the trees, (sometimes lorries are parking on the pavement so the risk is higher). In addition there is a development going on on adjacent land and Kings Close will be widened making the risk higher.

One branch was broken off recently and landed on the pavement.

I am concerned at this risk to injury of pedestrians.

I have contacted a tree surgeon and he has said we need to lift the crown by 2m to lift the branches away from vehicles.

These will all be minor branches, no main branches will be cut or removed.

Location:

April Cottage Main Road Yapton

Thank you for your application submitted via the internet on 18th June 2018. It is being dealt with by the Technical Support Unit and has been allocated the reference number **Y/50/18/T**. We will contact you shortly with further details.

For details on how the Council will deal with your data, please refer to our privacy notice called Privacy statement planning application on the website www.arun.gov.uk/planning-privacy-statements

This letter does not confirm validity of the application/documentation submitted.

Yours sincerely

Miss N Spencer
Technical Support Unit Officer
