Dear Michael,

I've received the above two consultations from your office to do with EV provision on the Ford Lane site. However, as Arun now has its own SPD to do with parking that also covers EV provision, I consider that both of these applications should be dealt with directly by your Authority.

Given the above, I will not be replying to the applications on this occasion. However, if you have a specific reason for consulting WSCC about these, please do let me know soonest.

Regards,

Tim
