Dear Bernie,

Please see attached photos showing back stays secured in the ground with road pins etc. Can you now agree?

Kind Regards

Dear Simon,

Please find photographs of the tree staking for your information. I trust this is sufficient and would now kindly request the prompt discharge of; materials schedule, the landscaping and the tree protection conditions. We understand the drainage team in particular are under strain so shall continue to wait for approval of the drainage scheme.

We appreciate the planning department is busy and under resourced, but your earliest attention would be most appreciated.

Regards
