Y/52/22/DOC

Stakers Farm North End Road Yapton BN18 0DU

Approval of details reserved by condition imposed under Y/105/19/PL relating to conditions 3-flint flooring and stall dividers, timber ceiling details, 4-flint flooring details, 5-surface water drainage and 9-electric vehicle charging.

At present a number of the plans supplied DOC application (such as for the site layout and the barn garage) are those supplied for the current application and do not relate to application identified in the description i.e. Y/105/19/PL. There have been a number of changes in the proposals since the original approval, and it is not possible to use the current plans to assess the details required of the previous application.

Please can the correct plans and information be supplied as soon as possible so that I am able to provide comments and the development can commence!
