Hi Maria,

Thank you for the call.

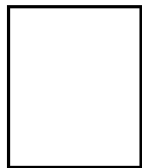

Just to summarise the discussion over the phone, I note that you have concerns relating to elements of the submitted DOC plan. I appreciate that it may be difficult having multiple applications on one site, but I am sure you understand that given the circumstances, it makes sense for us to continue with the 2019 permission for the time being, as there are no assurances of gaining approval for the live application.

Should you have any further queries regarding the DOC plan, please let me know so we can pass these onto the architects for the scheme, as is our role as registered agent on the application.

Thank you for the email regarding the pre-commencement conditions.

Kind regards,

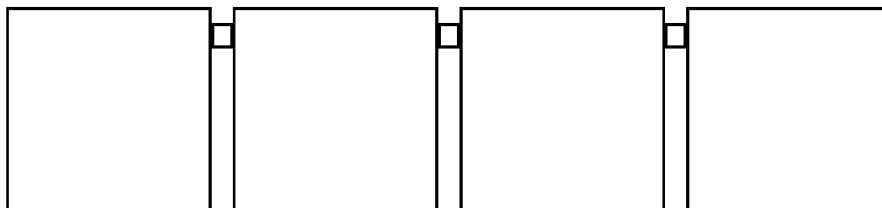

Zac
