Hi Rebecca,

It was initially allocated to me but has been reassigned to Maria.

We have consulted drainage engineers and our Landscape Officer and are awaiting their comments. I'm sure Maria will be in touch when she receives these.

Hello both,

I apologise for contacting you both but I am unsure which of you is taking lead on this application as the validation letter names your Simon whilst the website names you Maria.

Simon will appreciate this site has been going through the planning system for a long time and the applicants are keen to bottom everything out so they can complete the site. Therefore we would, like everyone, appreciate if these conditions could be discharged as soon as it is suitable to do so. So please do not hesitate to contact me if you require any further information, details or amendments as we will seek to comply where ever possible in a bid to ensure a speedy and positive outcome.

Kind regards

Rebecca
