3 Description of Development

Fell 1 No. Lawson Cypress tree.

4 In pursuance of their powers under this Act and these Regulations the Council **REFUSE** consent for the operations described in the application and plan for the reasons stated.

- 1 There is no obvious arboricultural justification for the work proposed and it has not been demonstrated that this tree is a contributory factor in any damage event (subsidence or interference with utility apparatus) nor presents a foreseeable risk of being so.

The tree is an established feature in the local landscape and appears to be in adequately sound and healthy condition providing some visual amenity to the surrounding area.
