Dear Lisa,

I have spoken to Engineers. There are currently 8-10 all with consultation deadlines before or at the same time as this one. Some of those due before yours are my cases where I also have agents chasing who have also had prior refusals so it would not be fair to bump you up the list. I would hope to get a response in a couple of weeks.

Kind Regards

Dear Simon

Further to my voicemail yesterday -have you been able to make any headway with this application?

The applicant is keen to know this is being progressed on the third attempt.

Kind regards,
Lisa
