Dear Lisa,

Rest assured we will not refuse unless we have a consultation response so therefore this will go past the 12 week date undetermined.

I spoke to Engineers yesterday and understand that yours is presently in 5th place on the list.

Kind Regards

Dear Simon

Can you give me an update on progress with the above DOC application? I note your website is down so can't review if there has been any progress.

The applicants are keen to know what is happening. The 12 week date is this Friday (29th) and I need to take instructions on what action they will take if you do not determine the application positively by then.

Kind regards,
Lisa
