Dear Lisa,

Hanks for your email. My last update was from 12/01/23 (from Neil) and stated that one of the 4 consultants we are using was to look at your application as a second priority. I see they provided a response on the application they had as the first priority to us on 25/01/23 so I understand that they are now looking at your case. I would hope for a response towards the end of next week.

Kind Regards

Dear Simon

I am being chased by the applicant on the progress on the outstanding discharge of conditions.

As you will be aware the development is progressing at pace and it would be appropriate to resolve this as soon as possible.

Can you give me an update so I can let the client know when they can expect a decision.

Kind regards,

Lisa
