Lisa,

I have sent a message to our engineers team asking for a likely time scale. I will update you when I have a response.

Dear Simon

I have been asked by the applicant to again chase a response on the above application.

As he will have no doubt have seen, the building is progressing rapidly and completion is anticipated in the early Summer. It is therefore becoming significantly more urgent.

Our drainage engineer has tried to make contact with the Council's drainage officer but has had no response.

Can you please let me know when I will have the decision?

Kind regards,
Lisa

Dear Lisa,

I am sorry but I don't have any update for you. I did send a message to the Engineers earlier, but I have not had a response. Also, Neil Crowther is not in today so I can't check his list. Therefore, I cannot give any anticipated timescales. Sorry.

Simon
