Dear Sir/Madam,

**Street Buildings North End Road
Y/13/18/PL – Approval for variation of approved outline consent for the construction of up to 45 dwellings.**

Please accept this letter and enclosures as an application for the discharge of Conditions 9 (A27 works) and 11 (archaeology) of approved consent Y/13/18/PL for construction of up to 45 dwellings. This application is supported by the following information as required by each relevant condition:

- Application Form;
- Technical note including drawing showing proposed extension to A27; and
- Written scheme of investigation of an archaeological evaluation.

The information submitted within this application is the same as that submitted and approved within an application to discharge the same conditions attached to the original outline consent. A reserved matters application is currently under consideration with the Council (Ref: Y/39/20/RES). Amended drawings were submitted in support of this application on 17th June 2020 in response to comments from the planning officer and statutory consultees. The proposed changes to the layout have no effect on the details submitted as part of the discharge of conditions 9 and 11.

We trust that the information included within submitted documents is in accordance with the requirements set out in conditions 9 and 11, however please don't hesitate to get in contact if I can be of any help.

Yours faithfully,

Tilly Whishaw
