Dear Sir,

Ref : Y/58/17/PL - Conversion of Barn for Residential Use, etc.
at Stakers Farm, North End Road, Yapton

Our society wishes to object to the above application.

The barn is within the curtilage of Listed Building Stakers Farm. It is a significant and unusually shaped flint and brick building. It is 3 storeys high and is clearly visible from the road through the farm entrance. It is therefore part of the street scene and rural context.

The proposed alteration to the front of the barn is unsympathetic treatment to a significant structure and will detract from the character of the Conservation Area.

Yours truly

J.M. Williams (Mrs.)
